## Experience

### University of Missouri – Digital Artist (Augmented Reality)

*Summer 2025*

- Selected and hired to create digital art for the *Art After Hours* showcase.
- Designed and implemented interactive AR experiences to engage a wide audience.
- Utilized tools such as Unity, Zapworks, and Blender to merge storytelling with technology.

### In-Store (Acosta Group) – Intern

*Summer 2024 – Present*

- Supported digital media and communications projects within retail marketing.
- Assisted with creative initiatives, including performance tools, internal campaigns, and corporate podcast planning.
- Gained professional experience collaborating with cross-functional teams.

### Creative 314 LLC – Intern

*Summer 2023*

- Worked under Heather Lechner on client-focused creative projects.
- Assisted in design, branding, and storytelling tasks for small business clients.
- Developed skills in visual design, project organization, and communication.

### Whisker Station Cat Café – Barista & Staff Member

*Winter 2021 – 2024*

- Provided customer service in a unique café and animal care environment.
  - Managed daily operations including food service, cleaning, and animal enrichment.
  - Cultivated strong interpersonal skills working with diverse groups of customers.
-
